February is World Understanding Month

Do you know someone who is interested in WORLD PEACE? They may be the right person to apply for a Rotary Peace Scholarship. Go to Rotary5960.org and click Rotary Peace Scholarship. Look at the application. Just think the two people who will be saving the world may be Rotary Peace Scholars. What a thought!

Exciting ways to Celebrate World Understanding Month and tell the Rotary Story:

1. Host an international festival to increase your school's or community's awareness of different cultures.
2. Communicate with an Interact or Rotaract club in another country.
3. Plan an event on 23 February to raise awareness of international issues in Rotary's six [areas of focus](#).
4. Support an international project listed in RI's [ProjectLINK](#) database.
5. Ask a Rotary Youth Exchange student to speak to your club or participate in your local RYLA event
